4. Directors' Report

A. Clapp reported that the After School Grant has been submitted and the award date is May 26, 2021. The summer camp relies on this grant in order to run at an affordable cost to campers.

The grant amount was for \$35,000.00 which will enable the campers to enroll for \$50 per week and CIT's to enroll for \$10 per week. There will be additional adult staff hired, also. The Town is being consulted about a requirement of hiring lifeguards. The regularly scheduled "Pop Up" activities will be offered to campers at an additional \$10 per activity.

Tennis has been added to the summer programming for both adults (\$100) and children (\$30). The children will get a Tee shirt and a racket for their own. This program is running with the assistance of the US Tennis Foundation.

M. Hardt reported that baseball/softball is going well with games starting this week. She also complimented the parents for the great turnout and hard work that was done on the April clean up day. She also reported that Dewey Field was mowed today. The mask mandate for players was also lifted by the Governor.

5. Department Updates (as needed)

Youth Sports

M. Hall will coordinate with M. Ryan to move the left over crushed slate to Hydeville Field to be used as a much needed extra layer to the infield.

Athletic Fields

Crystal Beach – No applicant for the supervisor position.

Swim Program

Lessons will run June 21st – June 24th and June 30th – July 2nd

6. Old Business

CVS Building – The superintendant said that the district will sell back the building to the Town for \$1 with the first right of refusal. The building is in need of a new furnace with a tentative price tag of around \$200,000. There was some discussion about the cost, but it was agreed that we couldn't build a new facility for that amount. This discussion is on-going.

Adjourn 6:55 A. Niklasson 1st and M. Hall 2nd
