Youth Sports:

- J. Hayes will speak to L. Beayon about ball field upkeep and fall soccer.
- K. Benway spoke highly of the baseball program and expressed a desire to have the season extend a few weeks. She wished to thank the coaches for their dedication and hard work during the practices and games. She also thought that the games should extend past the end of the school year to avoid late night games, etc. Some of the 3-4 games were running late and the players had school the next day. Ms. Benway is also willing to be a liaison to Fair Haven's baseball program to see if they are willing to extend their season.
- Another suggestion was to have baseball continue into the summer as a "pick up" format.
