

Summer Soccer Camp

We will be holding our summer camps at the West Rutland recreation fields again this summer. Please **register via email by June 15th**. The sooner the better as it helps when coordinating camp teams and T-Shirts. Once you are registered you will receive an email prior to camp detailing what your player will need to bring to camp every day as well as other details relevant to a good camp experience. PLEASE forward this email to anyone you know who may be interested. Many schools are not allowing me to put out notices as they once did.

Kids will train every day on the fundamentals as well as advanced skills. Players will be placed on teams which will play at least one competitive match every day. This camp is lots of fun and establishes some critical skills that players can focus on throughout the summer in preparation for their fall season.
