

**TOWN OF CASTLETON  
SEWER COMMISSION MEETING  
MINUTES OF APRIL 27, 2015  
TOWN OFFICES**

**MEMBERS PRESENT-** J. Leamy, John Hale, Richard Comb, Joe Bruno, R. Spaulding

**OTHERS PRESENT-** M. Shea

Meeting called to order a 7:10pm by J. Bruno

**APPROVAL OF MINUTES OF FEBRUARY 23, 2015**

**MOTION**

J. Leamy made a motion to approve the minutes of the February 23, 2015 meeting. Seconded by R. Spaulding. All in favor. Motion carried.

M. Shea stated that it was a continuation of the successful adoption of a Sewer Policy and to please look at it for the next meeting. Please respond back to me with suggestions of what might and might not work.

J. Bruno stated that it would be very hard to enforce some of the policies. There are many single family residences that become rentals and how do you enforce 2 people in a bedroom. J. Leamy stated that State Regulations state a rental/living area is a kitchen, bathroom, bedroom and living area. You have to count bedrooms not people in the bedrooms. He stated that some people were going to pay more and some pay less.

R. Comb brought up the concerns and comments in the report from the State regarding the ultraviolet disinfection system. He was wondering if any plans had been generated yet regarding the replacement or repair of this system.

M. Shea stated that in the next couple weeks there would be a draft for the Waste Water Budget brought to the Board.

J. Leamy would like a survey done by the plant operators to determine where the sub pumps are and to remove them. They are illegal and we have the right to enter the area to inspect it. They are costing the town money especially with the spring runoff.

**ADJOURN**

**MOTION:** R. Combs made a motion to adjourn at 7:00pm. Seconded by R. Spaulding. All in favor. Motion Carried.

Respectfully Submitted,

Valerie Waldron
