Castleton

WELCOMES YOU

A charming Vermont town—boasting with rich history, tranquil landscapes and endless recreational opportunities—Castleton makes the perfect weekend getaway or place to call home.

SOMETHING FOR EVERYONE

Castleton was settled in 1770, and later became the home to Castleton University in 1787, which presently enrolls nearly 2,000 students. The University brings many cultural and sporting events to the region for all to enjoy. Go Spartans!

Castleton is comprised of three distinct areas: Castleton Village, Bomoseen and Hydeville.

Castleton Village is a great place to stretch your legs, grab a bite to eat and shop for a local treat. Take a short walk down Main Street to enjoy the Village's exquisite array of Federal and Greek Revival style homes and buildings, most of which have been listed on the National Register of Historic Places.

Looking for an outdoor escape? A popular destination is picturesque **Lake Bomoseen**, which is the largest lake that lies entirely within the boundaries of the state of Vermont. Enjoy a lakeside meal, fishing with a friend or the day swimming at one of the beaches. If you're lucky, you'll catch a glimpse of one of the bald eagles that nests on the lake.

Hydeville is another section of town that provides many dining opportunities and a view of Lake Bomoseen from its southern end. Gas up your boat at the marina or grab some dinner on your way home.

We hope you enjoy your visit and come again!
