												Used \$104,500 in ARPA funds to pay for 50% of the total
												paving budget of \$209,000. The Town does not expect to
												receive any VTRANS Class II Paving Grants. Funds have been
												used from highway carryover the past two years to reduce the operating budget amount for paving, but as a way to
100-5115-56.02 OPS-Reclaim/Repave	\$170,000		-\$39,000	-18.7%	\$104,500		-\$65,500	-38.5%	\$239,000		\$134,500	128.7% continue paving approximately two miles of roads per year.
												Anything less and the Town will fall behind on maintaining
												our paved roads. The annual paving budget should actually be closer to \$350,000 for the Town to catch up to a 8-10 year
												repaying schedule. This would also allow some flexibility to
												pave or chip seal some of the "in-town" gravel roads.
												This is artificial because the Town elected to use ARPA funds and unsassigned highway carryover over the past four years
Total CAPITAL PROJECT	\$\$192,800	\$0	-\$39,000	-16.8%	\$127,300		-\$65,500	-34.0%	\$261,800		\$134,500	105.7% to help reduce the operating budget.

													\$50,000 is a realistic lease payments moving forward for new
													truck/plow packages and replacing the grader in four years
													and then the excavator as indicated in both the Highway
													Capital Improvement Plan (2018) and the vehicle replacement
													plan presented to the Selectboard in 2021 by Chris Fouracre
													and Brent Clark. A new plow truck with plow package under
													State bid price is \$259,000. A lease term would have to be
													extended to five years verses the historic four years to pay off
													the purchase price with a \$50K per year payment.
